TermpressureGuru Test TermPro50 Specifications TermpressureGuru Test. 14/12/2017: TERMPRESSAURUS (3 days ago)... My wonderful new enclosure arrived. I was looking forward to "tinkering" with it for a while but first i wanted to do some rough tests... As a matter of fact i decided to make a short test to see if my bass cabs will fit in the "box". I.e. will the enclosure work on its own without bass c f678ea9f9e
